HP Photosmart M547 Digital Camera

Get crisp, clear photos with this easy-to-use 6.2 MP camera. Zoom in with 3x optical, preview on the bright 6 cm display and snap. Use HP anti-shake mode and in-camera red-eye removal then add fun borders for results you'll be proud to share.

The HP Photosmart M547 Digital Camera is designed for people looking for an affordable and easy-to-use zoom camera with the ability to capture high-quality 6.2 MP photos, plus a range of tools including in-camera red-eye removal and anti-shake mode.

Get up close with 3x optical zoom and take high-quality 6.2 MP photos.
Take high-quality digital photos at up to 6.2 MP resolution for beautiful 10 x 15 cm prints and enlargements. Zoom in close using the HP Precision 3x optical zoom lens, and then focus in on your subject using 6x digital zoom. Frame, review and edit – even in bright sunlight – on the 6 cm image display. Get rid of red-eye without a PC or software touch-ups with industry-leading red-eye removal[1]. Get sharp, blur-free photos with HP steady photo anti-shake mode.

Get everything you need to take great photos – quickly and easily.
Enjoy easy photo taking using intuitive buttons and menus – just pick up your camera and start snapping. Get creative and add fun borders and colour effects in-camera. Be sure of optimised results with a range of shooting modes including sunset, theatre, burst and more. Get everything you need to get started including long-lasting batteries and 16 MB internal memory; optional SD HC memory cards[2] up to 8 GB also available. You can even capture video at the touch of a button.

Store, share and print beautiful photos – however you like – with HP Photosmart.
Enjoy your photos however it suits you best. Choose an HP Photosmart printer dock[2] and print lab-quality snapshots directly from your camera or transfer them to your PC via an optional charging dock[2] – both will recharge your batteries at the same time. Manage all your photo printing and sharing tasks through easy-to-use HP Photosmart Express. Order professionally developed photos, albums, calendars and more from the comfort of your home using Snapfish, an online service of HP[3].
